## Campsite Options

Non-Camping | General | Family | Quiet | Live-In Vehicle | Boutique | Meadow | Accessibility

### Non-Camping

Camping is included in the price of your ticket, so for those of you who prefer not to camp, choose this option and you can use your wristband to come and go from the festival, as long as it's within the gate times, released later in the year.

### General Camping

Located alongside the lakes. All you need to do is book your ticket, bring your tent, choose a spot and set up camp for the weekend. Simple.

### Family Camping

With baby changing facilities and a family welfare tent – if you're bringing little ones, this is the one for you. It's close to the Main Arena and Family Field, saving little legs from getting too tired. Just don't forget your tent.

### Quiet Camping

If you've chosen to stay in this campsite, we request that you not bring portable sound systems or children under the age of eight and avoid noise after 10pm (the unofficial curfew). Don't forget to bring your own tent.

### Live-In Vehicle Camping

Our only campsite that can accommodate live-in vehicles, caravans, campervans and tents together. To stay here, you also need to book a Live-In Vehicle Pass (1 per 6x7m pitch). There are a limited number of these available through the local ticket bookings. So, you'll need to request this as well. If you do not have both a pass(es) and ticket(s), you will not be allowed to stay in this campsite. All our public sale Live-In Vehicle passes have now **sold out**.

### Boutique Camping

For Boutique Camping, you also need Boutique Accommodation(s) (large enough for your whole party) – [bookable here](#) (whilst stocks last). You will need to prove that you have booked both accommodation and tickets, on arrival, to check-in to this campsite. If you do not have both, you will not be allowed entry and will need to stay elsewhere. You cannot bring your own tent and stay in Boutique.

### Meadow Camping

For Meadow Camping, you also need Meadow Accommodation(s) (large enough for your whole party). These are now **sold out**. So, if you have not already booked Meadow Accommodation, do not request tickets to this campsite. You will need to prove that you have booked both accommodation and tickets on arrival to check-in to this campsite. If you do not have both, you will not be allowed entry and will need to stay elsewhere. You cannot bring your own tent and stay in Meadow.

### Accessibility Camping

The dedicated Accessibility Campsite is for wheelchair users and those with mobility restrictions only. It is the closest to the arena, benefiting from a central and private car park and a hard road from its entrance. If you're booking for this campsite, read our full [Accessibility Information](#) document, fill in the [accessibility registration form](#) and send over relevant documentation.
